

# Troll Trail Guide.

## You will need:

Binoculars

### TOP TROLL TIP:

You don't want to scare the trolls, so watch from a distance before you approach.

Torch

### TOP TROLL TIP:

Use the torch to search bushes or trees for those dark places!

Magnifying Glass

### TOP TROLL TIP:

The magnifying glass will help you to find out the difference between pigeon footprints and troll footprints... See below...

### IF ALL ELSE FAILS...

Find two sticks

### TOP TROLL TIP:

Tap the sticks together (slowly) near the footprints... Trolls attract each other's attention using sticks, they also like clapping sounds!

Stamp your left foot 3 times.

And remember... Trolls are very mischievous but they are also shy so be patient and...  
HAPPY TROLL HUNTING!

# Troll Trail Guide.

The above guide is to help you find Dunfo and Stonely, the two little Trolls from Norway who came over in the Norwegian Christmas tree in the story; The Troll of Trafalgar Square. We suggest starting in Trafalgar Square then the surrounding areas. Dunfo and Stonely have been spotted in many places even Buckingham Palace.

Please send any pictures of your search to the Facebook page:
