About the book

Come and meet the Ratbag gang: Rob, Rachel, Rodney, Old Ray and Resting rat (who is always fast asleep) for fun and adventures all over the world...

Rob is a rat with a need for speed. But how? Rat wings, a rat train or a rat car? Aha... Rat roller skates!

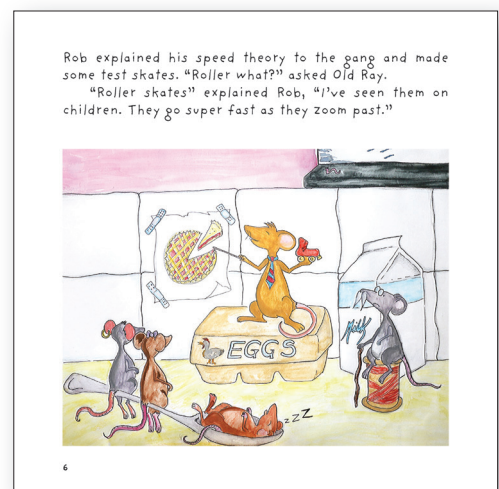

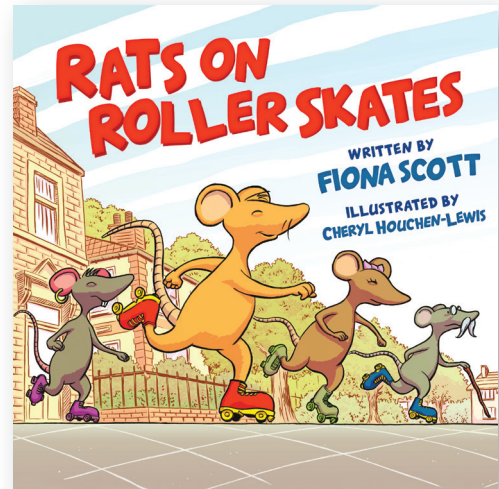

As the rats get faster the animal kingdom goes mad for funky footwear and animal accessories. The rats take over London, New York and Paris with sheep in sandals, lions with lipstick, and even pigeons in pants.

If you look carefully enough you might just see Willy the Worm on each page too.

About the author

Fiona Scott is a dedicated mother of two young children – Wonderful Willow and Handsome Hudson – whom she loves reading to. This family reading time inspired her to come up with her own stories which she hopes you'll now enjoy too.

Fiona grew up with her Mum, Dad, and two older sisters in South London. She enjoyed writing from a young age and is also passionate about music, and travelling.
